## PASCHAL System formwork

### in your company colour

Company colours make a big difference in a company's image. One increasingly sees equipment on construction sites that is not in the equipment manufacturer's colours, but in the company colours of the construction company. That which was initially only possible for large vehicles is now also available for concrete formwork.

#### ■ Formwork panels in your company colour

Now you get on demand the formwork panels in your company colour. So you can mark the difference in colour to your partner of the consortium and to competitors.

#### ■ Marketing and advertising effect

Use the marketing and advertising effect with formwork paint according to your corporate design.

#### ■ Colour choice from the RAL palette
